

January 2006

STATEMENT OF RoHS COMPLIANCE

This statement is to certify that no QTEK product contains any of the six substances restricted under the recent EU Directive 2002/95/EC.

To Whom It May Concern:

The RoHS requirements, in accordance with the European Union Directive 2002/95/EC, are as follows:

"Member States shall ensure that, from 1 July 2006, new electrical and electronic equipment put on the market does not contain lead, mercury, cadmium, hexavalent chromium, polybrominated biphenyls (PBB) or polybrominated diphenyl ethers (PBDE)." (EU Directive 2002/95/EC, p. 3)

As a global supplier of electronic consumables and supplies, QTEK has chosen to comply fully with this European Directive. At QTEK we have reviewed each product and hereby certify to the best of our knowledge, none of our cleaning chemistries, presaturated wipes, splicing products, screen-cleaning rolls, masking tapes or fluid dispenser pens contain any of the six substances restricted under the above directive.
